

# Vona du Toit's Model of Creative Ability: The missing link in paediatric occupational therapy

Lyndsay Koch

UNIVERSITY OF THE  
WITWATERSRAND,  
JOHANNESBURG

# School-based occupational therapy

# School-based occupational therapy

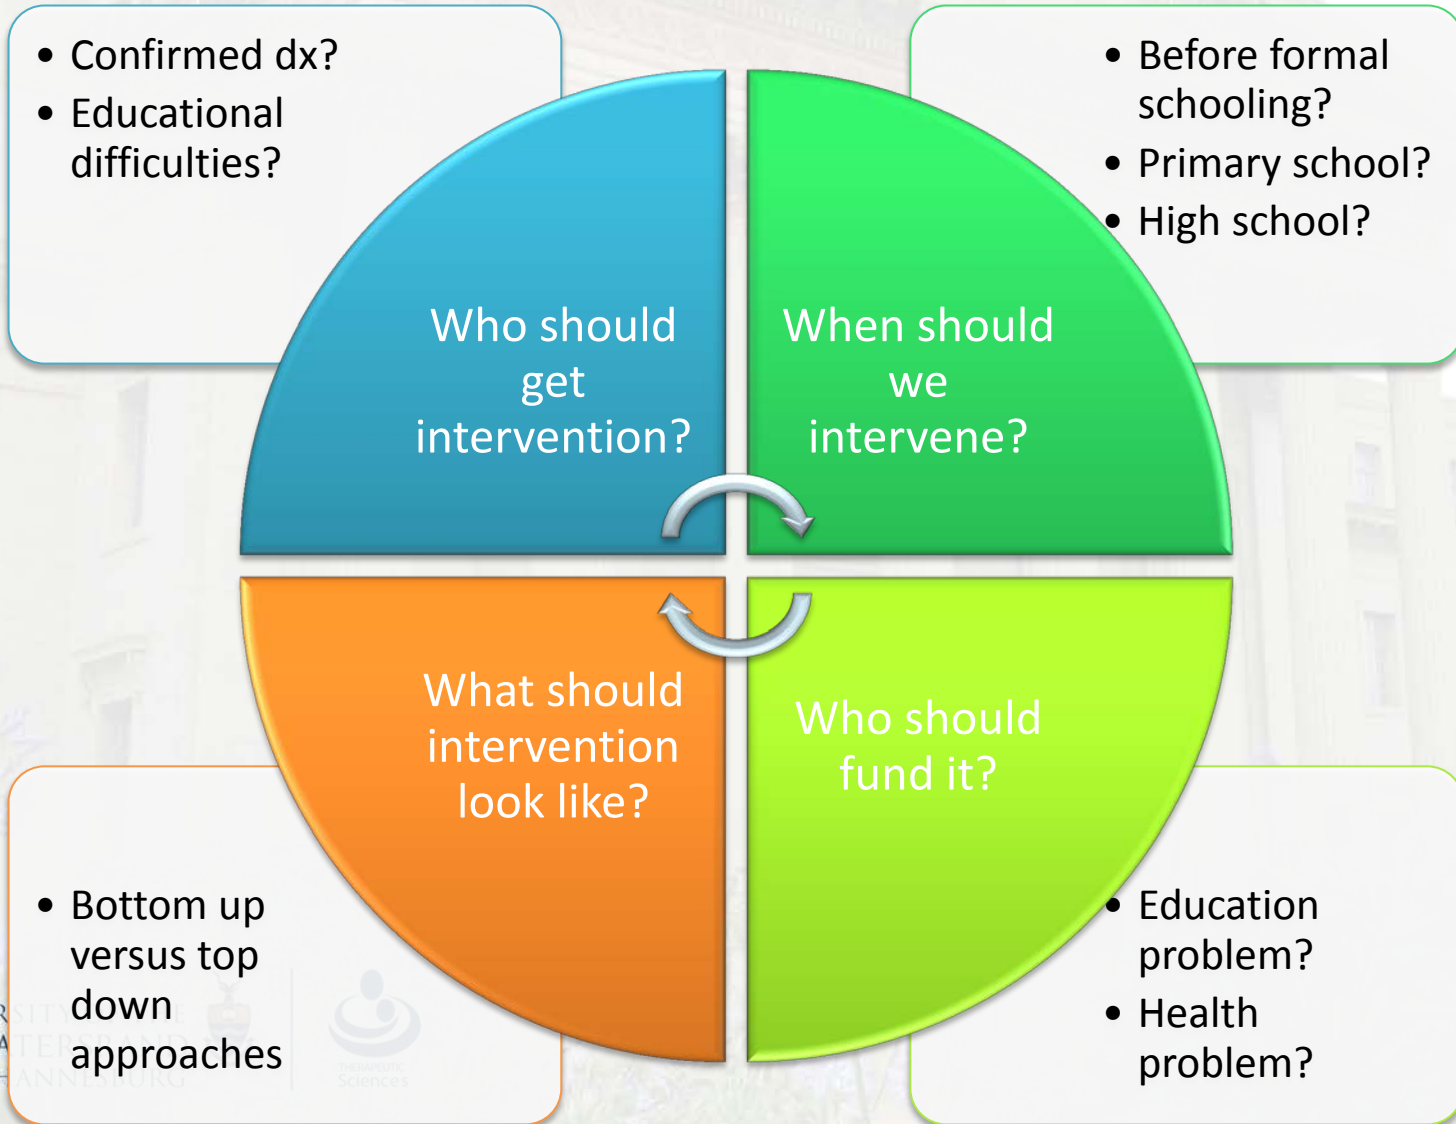

# School-based occupational therapy

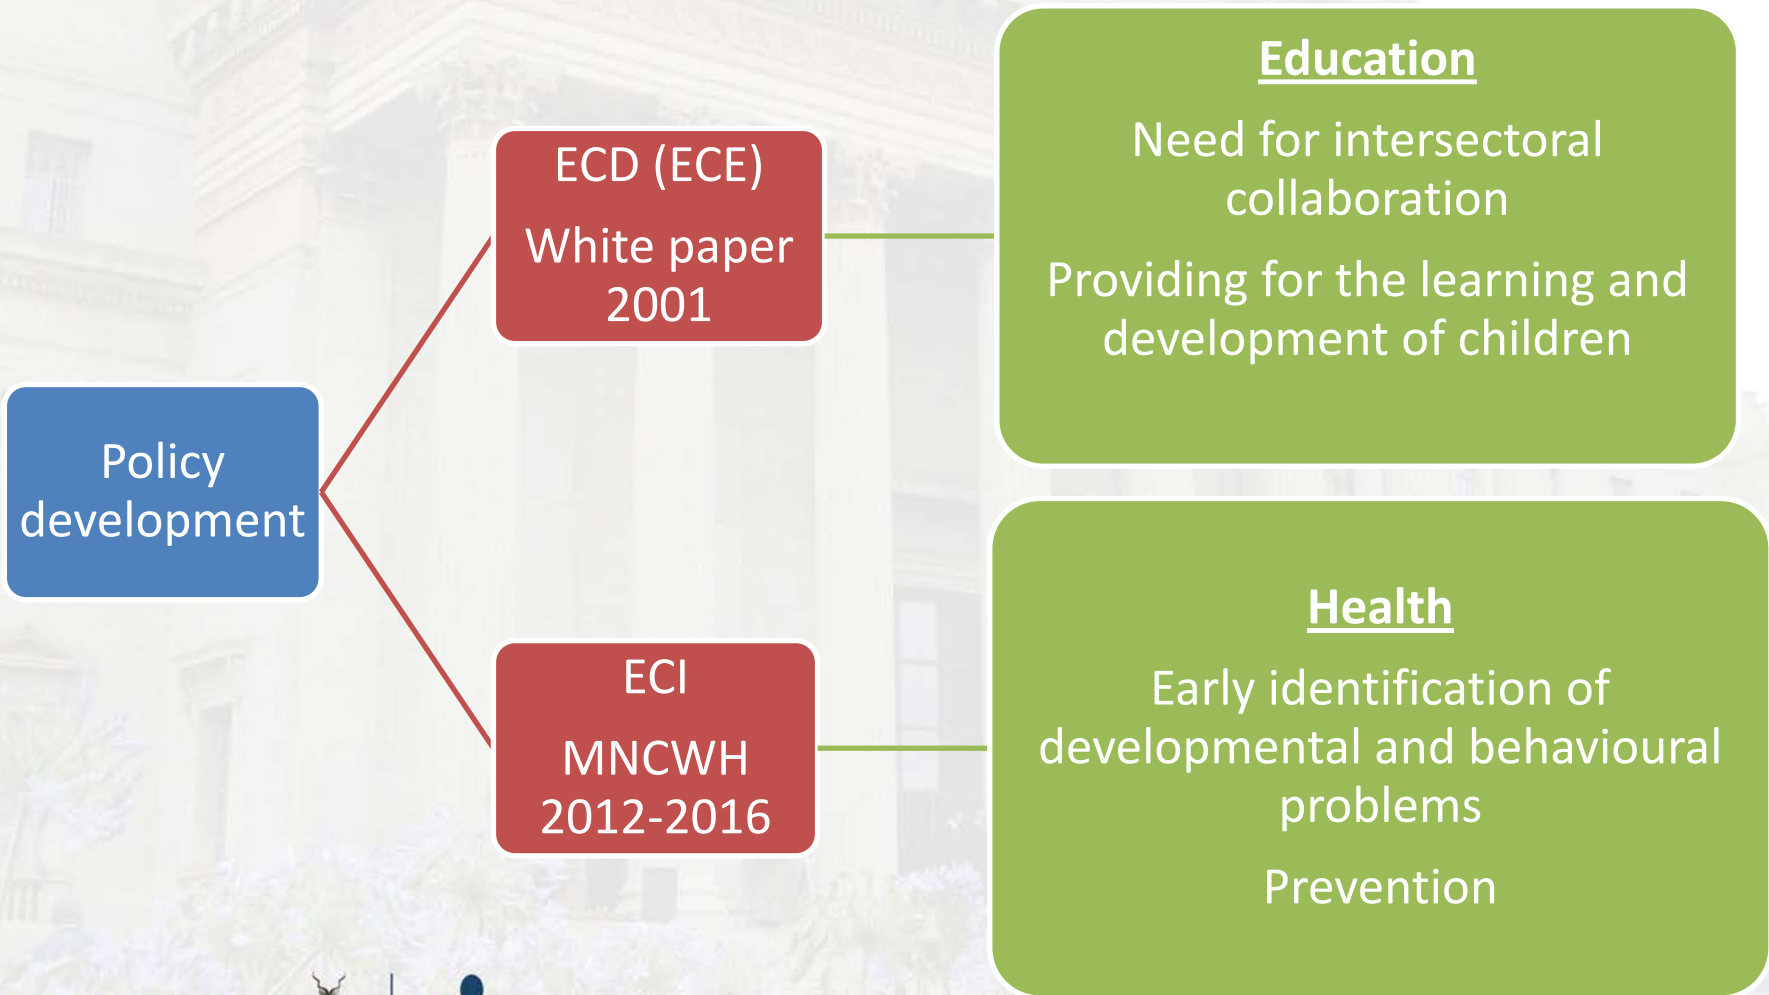

# School-based occupational therapy

# Education in South Africa

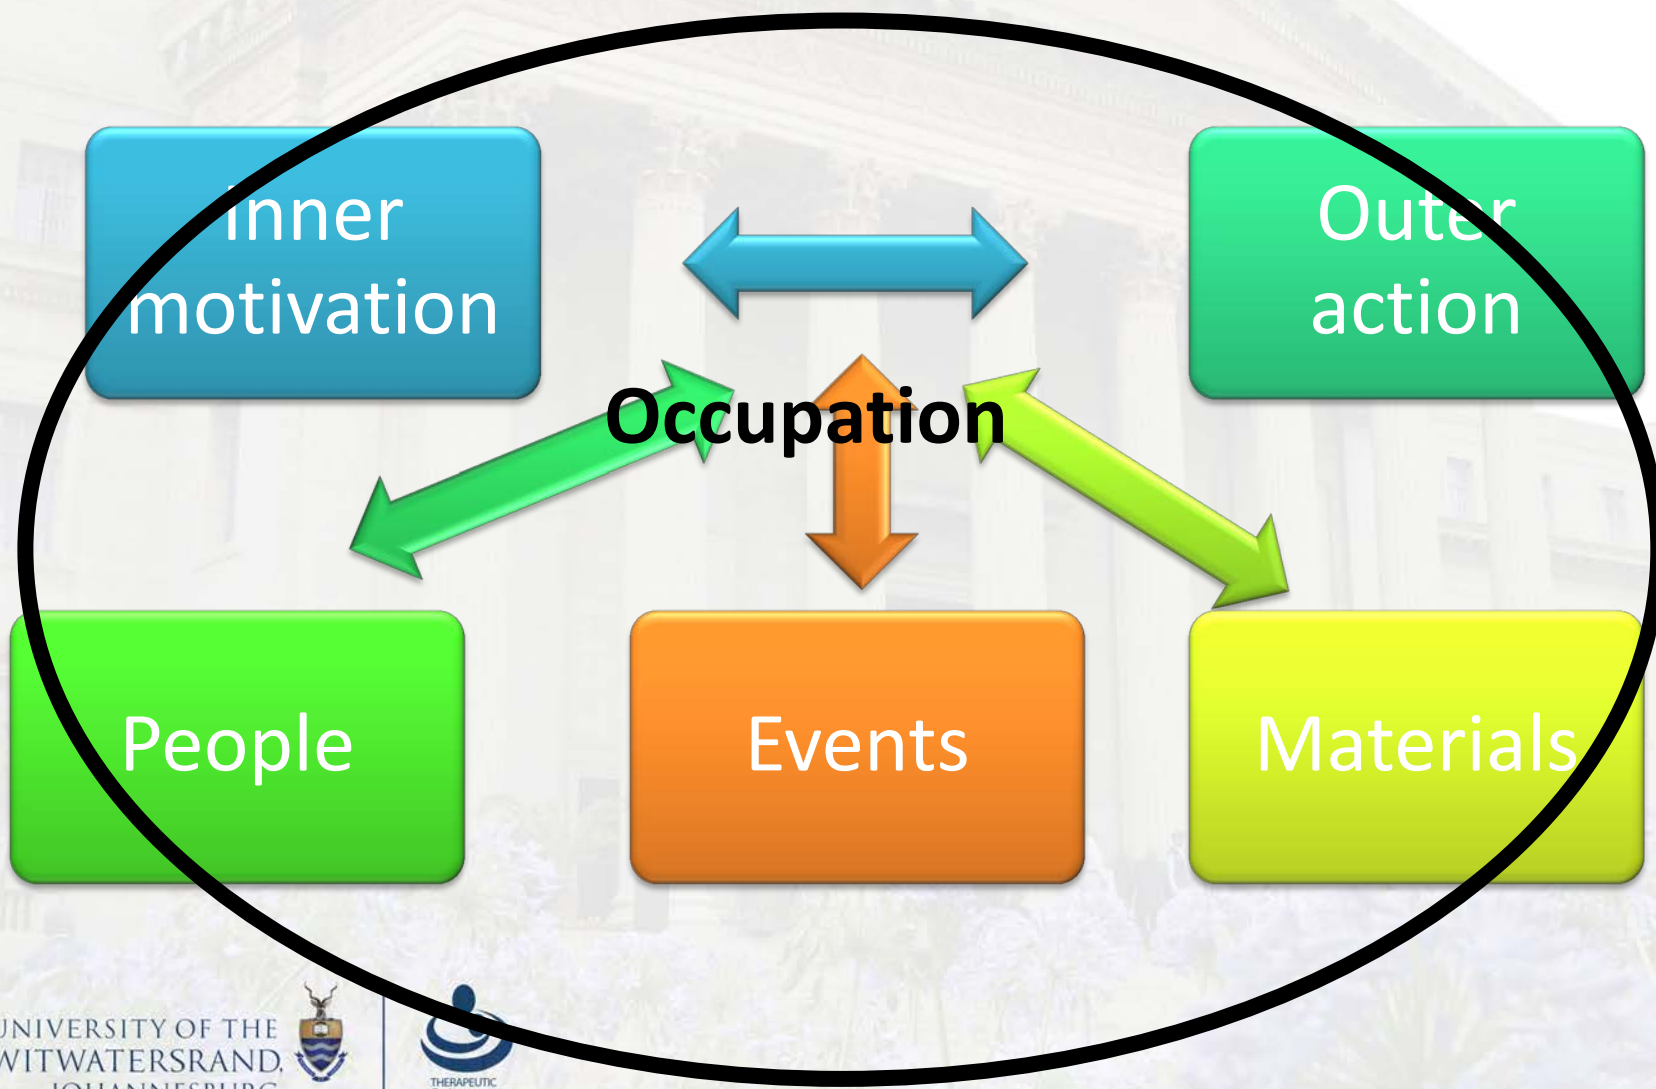

# The problem of school-based occupational therapy

- Where do we fit?
- Enable participation in all school related occupations
- Be able to take advantage of the learning opportunities within school

# VdTMoCA: the missing link?

# VdTMoCA: the missing link?

- Guide to clinical reasoning in Ax and Rx
- **CHARACTERISTICS** of occupations and activities
- Allows for cultural diversity in the actual performance of activities

# VdTMoCA: the missing link?

Task concept

Product centred

School =  
development of  
productivity

Development of  
norm compliance

Acceptance and  
belonging to group

# Conclusion
